

# Tertiary Entrance Statement

SACE Registration Number: **631808X**  
Date Issued: **December 2019**

## Angelica Bilangel

This statement is issued by the South Australian Tertiary Admissions Centre (SATAC).

SATAC calculates the scores and ranks used for tertiary entrance selection, including the university aggregate and the Australian Tertiary Admission Rank (ATAR).

These scores and ranks are based on scaled scores. Scaled scores allow direct comparison of results for subjects with different learning outcomes. This in turn allows aggregated results for students with differing study patterns to be directly compared. See the reverse of this page for a full list of the scaled scores that have been calculated for any Tertiary Admissions Subjects you have completed to date.

## University Entrance

The Australian Tertiary Admission Rank (ATAR) is the primary selection criterion for school leavers seeking entry into most undergraduate university programs in Australia. To qualify for an ATAR, SACE students must successfully complete the requirements of the SACE and complete at least 90 credits of study at Stage 2 in accordance with the rules agreed by the universities as set forth in the Tertiary Entrance booklet published online by SATAC.

### University aggregate

The university aggregate is the basis for the ATAR. The university aggregate is calculated from the scaled scores of Tertiary Admissions Subjects (TAS) as well as any Recognised Studies. The calculation considers every allowable combination of results to give the best possible aggregate. The maximum university aggregate is 90.00

**Your university aggregate is 52.25**

### Australian Tertiary Admission Rank

The Australian Tertiary Admission Rank (ATAR) is an indicator of how well a student has performed relative to other secondary school students across Australia. It is derived from the university aggregate and is reported as a number between 0.00 and 99.95. ATARs below 30.00 are not reported on the Tertiary Entrance Statement.

**Your ATAR is 54.30**

## TAFE SA Entrance

Some TAFE SA courses have Course Admission Requirements which applicants must meet to be eligible for selection. Course admission requirements can include one, or a combination of: entry assessment, SACE completion, presentation of a portfolio, audition, or prior vocational certificates.
